## oneAdvanced

 $\hat{\mathbf{O}}$ 

# A step by step guide to the graduation process

Discover the strategic steps and timelines when transitioning to Financials.

Our team of dedicated experts collaborates with you to ensure a seamless, swift, and secure journey to the cloud.

Week 0

# Pre project stage

We'll take a look at your current system, figure out what you want to achieve, and help you to map out a smooth transition plan to Financials.

Week <u>5-11</u>

Week <u>19</u>-22

# Activation

We'll get everything set up for the project, lock in the timelines, and make sure everyone is on the same page and ready to go.

Week 1-5

Week <u>11-18</u>

### **Financials provisioning**

We'll provide you with Financials already set up using our best practices, and then we'll smoothly migrate your data into it.

### Learning

We'll train your trainers so they can confidently teach everyone how to get the most out of Financials and enjoy all of its benefits.

#### Validation

We've got Financials performance and security covered, so you can focus on getting to know how it works for you.

## **Financials launch**

We'll refresh the data and make sure everything is ready to go live.

Week <u>22-2</u>4

# Review

We'll finish any last tasks like paperwork and support, ensuring that everything's working perfectly and meets your goals. Then, we'll pass things over to our customer success team to keep you supported.

#### About

OneAdvanced is one of the UK's largest providers of business software and services with a £220m turnover, employing 2,000 people, and serving 20,000 customers.

We use our experience and expertise in digital transformation to help you on your journey to the cloud. We act as your digital partner, working with you every step of the way, from research, right the way through to go-live and training. Ultimately, our aim is to help organisations transition to the cloud at the right time and in the right way, so they can grow, innovate, and prosper.

#### Get in touch

"We have been able to build the system around our own working practice which really helped us enhance financial control in the business."

Pip Abercromby, Finance and Commercial Director
